

ELLA NOTES

September 2015

In an effort to keep our ELLA membership informed and current, we are replacing the lengthy ELLA newsletter distributed twice per year with ELLA NOTES distributed six times per year.

ELLA NOTES will provide timely reminders to renew memberships, register for courses, upcoming Events and other notes of interest. In this first edition, we are focusing on the following:

ONLINE MEMBERSHIP RENEWAL

Although some members completed the process in person at the 2015 Spring Session, and others throughout the summer, please remember to renew your membership before October 01, 2015. Do it soon to avoid the last minute rush! [Get started, complete the attached form and return soon!](#)

ELLA is endeavoring to expand beyond the trademark Spring Session. We are planning at least two stand-alone events during Fall 2015 and Winter 2016. In collaboration with Doug Mertz, Director of Education and Outreach at the Citadel Theatre we have arranged a specially hosted visit “**Behind the Lights**” on October 03, 2015. The details are attached.

IN THE NEWS: Our President Carol Vaage was in the news recently. The article “[the Boomers are Coming](#)” is attached.
